Is your family growing faster than your house? Are you sick and tired of cramming too much stuff – and too many people – into too small a space?

That's where Sussel Builders – Minnesota's oldest and largest home improvement company -- can help.

You tell us your vision of your ideal house – the layout, the new rooms, the storage, the living spaces, the style, and the features you've always wanted.

Our design and construction team can quickly build a room addition that expands your existing house into your "dream home" at a cost that won't give you nightmares.

Makes your home bigger and better

What's your vision for your ultimate "dream home"?

- Adding an extra bedroom or guestroom.
- Building a spacious family room for entertaining.
- Three-season porches loaded with windows designed to bring the beauty of the outdoors into your home
- Screened-in porches for bug-free outdoor dining.
- Luxurious bathrooms with double-size showers and separate whirlpool tubs.
- Restaurant-quality kitchens with gorgeous cabinets and spacious islands.

Whatever your dream addition, Sussel can give you ample room to play and grow – in a luxurious home that can make you the envy of everyone on your block!

If people judge a book by it's cover, what does your home's exterior say about your home?

You never get a second chance to make a first impression. But what kind of impression do your friends and family get when they drive up to your home?

Flaking or chipped paint... cracked or missing siding... a sagging roof... broken windows... leaking gutters. All can be an eyesore -- and an embarrassment.

But now visualize your house with a new roof...new siding... seamless gutters... and new replacement windows. A much better picture, isn't it? And we can help you make it happen.

Give your home a facelift...

Whether it's a new roof over your head to keep you snug and dry - or quality siding that eliminates bothersome painting -- Sussel Builders can give your home the new look you deserve.

Sussel exteriors are both beautiful and functional. Siding that requires very little maintenance. Roofing made to last with up to 40-year manufacturer warranties. New gutters that don't clog or leak. Stucco or wood-textured finishes worthy of a million-dollar home -- even if yours isn't!

Plus, Sussel provides everything you need -- roofing, gutters, windows, and siding -- with just one phone call. Our single-source service saves you time and hassle!
