**Are you sick and tired of having an old, ramshackle, under-sized garage?**

Are you embarrassed by the way your garage looks ... and what your neighbors might be saying about it behind your back?

Are you frustrated by not being able to keep your tools ... lawnmower ... bicycles ... snow blower ... and cars in the garage at the same time?

That's where Sussel Builders can help add value to your home – and give you the garage of your dreams – at less cost than you might imagine.

home! It creates protection for your vehicles and storage for other valuables. In addition, your new garage will accentuate, beautify, and increase your property's value.

## Protects your car from harsh Minnesota winters

Minnesota winters can be harsh – and tough on cars.

With a Sussel garage, you can keep your cars in your garage all winter long. No more scraping and digging your cars out from under a mountain of snow!

A Sussel garage is more than a shelter for cars. Comfortable and roomy, your new garage can be a retreat for you to hang out and listen to the game while you work on your car or other do-it-yourself projects – a private sanctum for the king in his castle.

Plus, your significant other will love the look of your new or rebuilt Sussel garage. Not to mention the incredible value it adds to your
