

Use your **Personal Discount Code...**
And save 20% on every
PDHengineer.com course
you take this year.

Go to www.pdhengineer.com
Your Personal Discount Code is: **PDH2005**

At just \$15 to \$19 per PDH,
PDHengineer.com is the best value
in continuing education for professional
engineers today.

Compare our prices with the \$25
to \$50 per PDH other online education
providers charge ... or the \$40 to \$70
per PDH you pay at live seminars. With
PDHengineer.com, you reduce the cost
of acquiring PDHs by up to 78%!

And for a limited time only, you can
save even more: by using your Personal
Discount Code printed above, you save
20% off every **PDHengineer.com** course
you take from now until 12/31/05. Which
means you can get your continuing educa-
tion credits for as little as \$12 per PDH!

Our 100% Money-Back Guarantee

We guarantee your state will accept the
PDHengineer.com courses you take and apply the
PDHs you earn towards the state requirement for
continuing education for professional engineers.

If for any reason the PDH certificate we award
you upon passing the course quiz is not accepted
by your state, we will refund your entire payment in
full — no questions asked.

We are also confident you can pass our
quizzes: all the answers to the course quizzes are
contained in the courses. And you may take the quiz
online as many times as you want without additional
charge until you gain a passing grade and are
awarded your PDH certificate of completion.

Continuing Education for Professional Engineers— Designed and Taught by Professional Engineers

Investigate other sources for PE continuing
education and you'll be shocked to discover
some courses taught by instructors with
questionable experience in the specialty or
application being discussed!

At **PDHengineer.com**, you take continu-
ing education courses online researched and
written by professional engineers for professional
engineers.

PDHengineer.com has a team of nearly
three dozen course authors. All current authors
are active or retired PEs.*

Almost two-thirds of PDHengineer course
authors have a graduate degree in addition to
a PE license. Nearly half of our course authors
have taught engineering courses at the university
level.

In addition, many PDHengineer course
authors hold patents and have published books
and technical articles in leading professional
journals. That means they know their subject ...
and can write about it in a clear, fast-reading,
accurate manner.

* Except the author of our popular series of "Geotechnical
Courses for Non-Geotechnical Engineers," who is a regis-
tered professional geologist with a Ph.D. in geology.

9 ways

PDHengineer.com can save you time and money in getting the PDHs you need to maintain your PE license

Go to www.pdhengineer.com and enter Discount Code: **PDH2005 ... and save 20% on any course!**

1. Low cost

At **PDHengineer.com**, you can earn all the PDHs you need to maintain your PE license for just \$15 to \$19 per credit hour.

Compare that with the \$25 to \$70 other online and offline continuing engineering education providers charge. Go to **PDHengineer.com** and save up to 78%!

2. Online convenience

At **PDHengineer.com**, we understand just how busy you are ... and how incredibly hectic your life is.

That's why www.pdhengineer.com lets you take continuing engineering education courses online according to *your* schedule ... not some seminar company's timetable.

And you can take the course right at your home or office PC — no need to get in the car and drive an hour or more to attend a live seminar at some hotel. You avoid hassles and save time!

3. Free course reviews

You can actually go to www.pdhengineer.com and download, read, and study all of our engineering courses for FREE!

We don't charge for our courses. We do charge a nominal fee (just \$15 to \$19 per PDH) for you to take the course quiz and earn your Professional Development Hours.

But the courses themselves ... an enormous library of contemporary engineering knowledge and know-how ... are yours FREE at the click of a mouse!

4. Online quizzes

No need to be administered tests by a live proctor. At **PDHengineer.com**, you can take the quizzes for all of our courses online.

All the answers to the course quizzes are in the course materials. Most questions are multiple-choice and can easily be answered simply by reading and understanding the course material.

Our goal is to help YOU get all the PDHs you need — quickly, easily, and efficiently. So if you don't pass a quiz, you have a full year to take it again and again as many times as you need until you do pass it ... at no extra charge.

5. Instant PHD certificates

As soon as you complete the course and pass the exam, you can print a Certificate of Completion documenting the PDHs you've earned ... right from your laser printer.

No need to wait for your test to be processed, graded, and a certificate mailed to you. You get the documentation you need — right on the spot!

6. We offer 150 courses to choose from

PDHengineer.com offers more than 150 different PDH courses in a wide range of engineering disciplines including:

- Building design.
- Business skills.
- Civil engineering.
- Control systems engineering.
- Electrical engineering.
- Geotechnical engineering.
- Health and safety.
- Industrial engineering.
- Law and ethics.

- Materials science.
- Mechanical engineering.
- Oil and gas.
- Project management.
- Structural engineering.
- Transportation engineering.

7. State-approved course content

PDHengineer.com is an "approved provider" of continuing education courses for engineers in Arkansas, Florida*, Louisiana, North Carolina, and New York — the only states that pre-approve continuing education providers.

PDHengineer.com courses are accepted in all other states that mandate continuing education for engineers, although none of these states have a formal approval process for continuing education providers. **Application in process of being renewed.*

8. Special discount savings

For a limited time only, you get 20% off the list price of any and all courses available from **PDHengineer.com**.

Just go to www.pdhengineer.com, select a course, and click to purchase the course quiz. Enter discount code "PDH2005" in the space provided on the sign-up page and a 20% discount will be automatically applied.

9. Money-back guarantee

If your state board does not accept any **PDHengineer.com** course for any reason, we will refund your money in full.
