7-time Grand Prize Winner reveals Lottery-beating secrets at last!

My biggest Grand Prize winning? \$842,000 – so far. But who knows? By following The Lustig Lottery Method, you may do even better!

After reading my material, Larry and Kathy Dawson of Webster City, IA hit the lottery jackpot for a whopping \$9.09 million.

Evan Nine raves, “...it truly does work. I used Richard’s method and I am winning each and every week for 8 weeks in a row now. I have hit six \$555 dollar payouts from Fantasy Five. Amazing!”

“I purchased an entire pack of scratch-off tickets as Richard advised, and in that package was a \$250,000 winning ticket, says Richard Taylor, Crisfield, MD.

Winning the Lottery: a very possible dream

Does all this sound like an impossible dream – much too good to be true? Well, it's NOT!

But, from this moment on, you must forget everything you've ever heard, read, or been told about beating the Lottery – about how it is impossible to increase your money-winning chances.

Because, starting right now you are about to enter the exciting world of the The Lustig Lottery Method.

I first played the Lottery in the late 1980s – initially without much to show for it.

So I began investigating whether there was a way I could tip the odds of winning in my favor – gathering research on every aspect of the Lottery I could lay my hands on.

I tested many ideas. Most did not work. But some began to. For instance, when my son was born in 1992, we lived in a small house with a leaky roof – we put buckets on the floor to catch water when it rained -- and could not pay the medical bills for his birth.

Two weeks later, testing one of my Lottery Methods, I hit my first prize for \$10,000. We paid the hospital bill, fixed the roof, and my life was never the same....

Imagine living the “Lustig Lottery Lifestyle!”

Since 1992, I have won millions of dollars in the lottery. I own a Jaguar, a Harley Davidson, and a BMW. I hired a financial planner and a CPA, and today have investments that gives my family a safety-net. I stay home and do what I want, when I want. I have no boss, no commute, and “work” if I want – to keep busy.

Now I want to help you do the same. If you will let me. Yes! Everything you need to know about increasing your chances to beat the Lottery has now been set down on paper and PRIVATELY PRINTED in The Lustig Lottery Method: How I Won the Grand Prize 7 Times.

The method is so simple to use that if you look it over for just ten minutes or so –

you'll have no trouble at all putting it to work for you the very next time you play.
