FIELDER'S Choice

Send for your **FREE**
24-page Fielder's
Choice Seed Corn
Catalog today!

...even though it costs 35% to 45% LESS?

Our customers tell the story:

"I've been 100% satisfied. It's hard to beat the price and the results you get with Fielder's Choice." — Wayne Thompson, Avilla, Indiana

"Fielder's Choice quality and yields are just as good as the \$89 corn. The difference in price stays in my pocket." — Marvin Houin, Bremen, Indiana

Catalog Contents:

- How to save 35-45% on **every bag**— regardless of corn acreage
- How to pick the right hybrids for your fields
- Unique strategies for increasing yields, cutting costs
- Fielder's Choice techniques for creating genetically purer hybrids
