Dear Mr. Deruvo:

Planning to travel more than once during the next two years?

If so, you are eligible to receive a special money-saving offer from VALUE RENT-A-CAR.

It's the "Advance Purchase Discount Program".

And here's how it works:

For a limited time, you can purchase a book of coupons, each good for one week's rental of an economy, mid-size, full-size, or luxury car. The coupons can be used at any of VALUE's 19 Florida locations - or any other VALUE RENT-A-CAR location nationwide. The coupons are good for 2 years from date of issue. And unused coupons may be returned for a refund (see back of order form for details).

What's the benefit of buying these coupons in advance? There are two:

First, the coupons are heavily discounted.

Second, by prepaying for car rentals now, you protect yourself against future rate increases.

If you travel a lot, you know that car rental rates are steadily rising -- and that prepaying now while rates are low makes good economic sense.

ONE WEEK'S CAR RENTAL -- NOW ONLY \$59.07!

Buy a coupon book of 1, 4, 8, or 12 coupons now. And rent a brand-new Ford from VALUE for as little as \$59.07 per week with free unlimited mileage. You can't beat that rate. Anywhere.

PLUS: Buy 12 coupons now and get an extra coupon good for one week's rental absolutely FREE!

 For reservations or information call toll-free 800-GO-VALUE (800-468-2583)

But please note: Our supply of Advance Purchase Coupon Booklets is limited. For this reason, I urge you to order your coupons today -- by mailing the enclosed Order Form or calling toll-free 800-GO-VALUE (800-468-2583).

THE LOWEST RATES -- GUARANTEED.

Why do smart travelers nationwide prefer VALUE RENT-A-CAR when they visit Florida and our other VALUE locations nationwide?

Simply because our rates are the lowest of any car rental company serving these areas.

Lower than Alamo (phone 800-327-9633).

Lower than Avis (800-331-1212).

Lower than Hertz (800-654-3131).

Lower than National (800-328-4567).

Lower than Dollar (800-421-6868) and Budget (800-527-0700), too.

But -- don't take my word for it.

Instead, call us at 800-GO-VALUE. Then call our competitors. And compare.

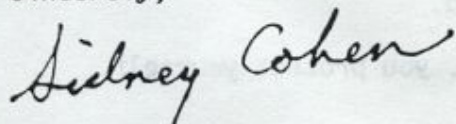

You'll quickly discover that VALUE can save you from \$20 to \$60 a week or more when you rent an economy, mid-size, full-size, or luxury car. Our entire fleet of new Fords comes equipped with air conditioning, AM/FM stereo, and unlimited mileage.

You also get VALUE's "value-added" service at no extra cost. Like express check-in and check-out. With your car brought right to the door to save you time. (We even carry your luggage for you!)

And now, the best value in car rentals is even better. Because with our Advance Purchase Discount Program, you pay even less than our already low rates . . . and you lock-in these bargain prices for all your car rentals for the next two years.

But hurry. Availability of these special Discount Coupon Books is limited. (This offer expires November 15, 1989.)

Sincerely,

Sidney Cohen, President
