Official Notification of Business Debt

Official Notification of Business Debt

Public records show your company is either a defendant in a civil law suit, or has a lien or judgment against it, or is in arrears with creditors who may be pursuing aggressive collections for the full amount of the debt, forcing you into involuntary bankruptcy or even shutting down your business.

Our Debt Reduction Service can:

- Get rid of judgments and liens.
- Stop creditor harassment.
- Reduce your debt 50% to 70%.
- Keep you in control of your business.
- Improve your cash flow.
- Restore your credibility and goodwill with vendors.

We will prepare a FREE Debt Workout Plan for your specific situation at no charge. We guarantee our Plan will reduce your debt by 50% or more — or you pay nothing.
