The secret of Venezuelan chocolate...

By Alejandra Bigai, Chief Chocolatier

Romanicos Chocolates are made from Venezuelan cocoa... widely regarded by professional chocolatiers to be the finest, richest cocoa in the world.

I was raised by my grandmother, who taught me how to cook. When she died, I inherited an old folder with her recipes. I looked there and found an old basic recipe for French truffles, which I have since refined to create the unique taste of Romanicos chocolate truffles.

Like my grandmother before me, I make each batch of chocolate truffles with a wood spoon, using a secret method that

creates the extra-smooth, soft texture. Romanicos chocolates contain only fresh ingredients- no preservatives of any kind.

At the heart of each truffle there are no surprises - just pure, rich, fine chocolate. The same goes for Romanicos. At the heart of the company, there is only one true aim: to make the world a sweeter place.

People fall in love with Romanicos chocolate truffles, even those who never cared much about chocolate before! I hope you fall in love with them as so many others have. Thank you.

"...Intensely flavored with cocoa, fragrant and complex ... an obscure and furtive passion...."--Newsweek

"There's more evidence that cocoa rich in cholesterol-battling anti-oxidants wards off some of the factors associated with heart attacks and stroke."--American Association for the Advancement of Science

How to enjoy your FREE Romanicos Chocolate...

Here's how to gain maximum enjoyment from the additional FREE Romanicos Chocolates you'll earn as a member of our **Romanicos Executive Gift Club**:

- 1** Bite the chocolate truffle in half.
- 2** SLOWLY chew the chocolate.
- 3** Allow the chocolate to gradually melt over your tongue and dissolve in your mouth as you chew savoring the sinful, rich flavor.
- 4** When finished, put the second half of the piece in your mouth. Repeat the process.
- 5** Order more Romanicos Chocolates for yourself, your friends, and your business associates – so you can all enjoy this delicious experience many times.

Our 100% money-back guarantee of satisfaction
