

7 REASONS

WHY GRAPHIC ARTS PROFESSIONALS WORLDWIDE PREFER MAPART

1 Superb Illustration.

Our maps are drawn by professional artists for maximum visual impact and eye-appeal — a *quantum leap* in quality above ordinary computer maps.

2 Easy to Use.

The ability to use MapArt with popular desktop publishing and drawing programs *eliminates* the need to learn new software or special commands.

3 Fully Editable.

Change color, shading, line weight, text, sizing, or cut-and-paste to create customized maps for publishing and presentations.

4 Saves Time and Effort.

Drawing accurate maps is time consuming. But *we've already done the work* — so you don't have to.

5 Accurate.

Use of trained cartographic artists ensures accuracy. Careful checking — and constant updating — keeps geography correct and current.

6 Choice of File Format.

MapArt is available in a variety of formats compatible with most popular publishing and design software.

7 A Single Source.

Cartesia Software offers hundreds of high quality maps of the USA and areas throughout the world.
