

"Where can I find a good mailing list for my next direct mail campaign?"

Coopersmith List Consultants specializes in helping our clients find the right mailing lists — qualified prospects who are the most likely to respond to your direct mail, e-mail or telemarketing offer and buy what you are selling.

Why spend countless hours searching for mailing lists? Let CLC do the list research for you. Our services are FREE! You pay us only when you rent names from the lists we find for you. And we don't mark up

these lists one penny... *you pay the exact same price as if you rented the list directly from its owner!*

For **FREE** list recommendations on an upcoming direct mail, e-mail, or telemarketing campaign, call us toll-free at **866-825-6080** today. Or visit **www.gcoopersmith.com**
